ENVISION SUCCESS. ENVISION TRANSFORMATION.

Envision Academy, located on the Gilroy High School campus, is a individualized academic environment that integrates in-person learning and technology to enable students to be successful in college, career, and life as 21st century citizens.

ENVISION OFFERS

- Independent, online learning in which students engage in small group learning and instruction from a classroom teacher
- Students have flexibility in how they learn
- Additional support in a particular subject area
- Opportunities to work at an accelerated pace
- Teachers who prioritize individualized learning goals and progress toward high school graduation
- Counselors who support the social-emotional needs, post-secondary planning, and issues that affect academic performance of students

HOW TO APPLY

1. Families: meet with your student's middle school counselor and review the criteria for admission to Envision Academy.
2. As a team: decide if attending Envision Academy is the right place for your student to begin their high school career.
3. Students: complete and submit a paper application, including a Student Statement and references, to your middle school counselor.
4. Parents: request a Character Reference from two people who know your child well. One must be a current teacher. Submit both character references to your child's middle school counselor in a sealed envelope. Please SIGN ACROSS the seal.
