MISSION STATEMENT: The Gilroy High School Academic Coordinator team supports equal opportunities for all students in the areas of academics, career planning and personal/ social development. Through conscientious collaboration with students, their families, staff and the community, we are dedicated to serve as educational advocates by providing relevant and current information and resources to guide students toward their life goals.

*When calling our main line (669-205-5400), please make sure to leave a message and we will return your call as soon as possible! ~Thank you ☺
